Výrez pro ucha ADAM HALL 3402.

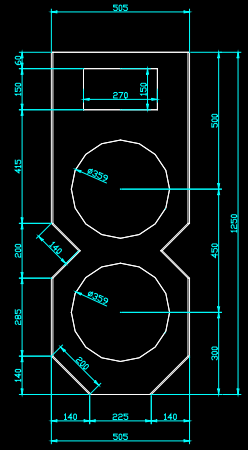
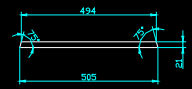
BAFFLE
2 PCS





Cut outs for DAS 15P speakers (400W rms).
Refer your speakers manufacturer specifications.

Výrezy pro reproduktory DAS 15P (400W rms).
Záleží na údaji výrobce reproduktoru.

Careful of exact 15" cut out
- every single mm more causes problems when mounting speakers.

Pozor na výrezy 15"
- každý mm navíc se znesnadní osazení reproduktoru

Bass reflex sockets to be of a constant cross section area 100 cm2,
Recommended length of the socket is 100mm (for DAS 15P)..

Bass-reflexové nátrubky musí být konstantního prurezu 100 cm2
Doporucená délka nátrubku je 100mm (pro DAS 15P).
